

LA PIÑATA

No quiero oro, no quiero plata

Yo solo quiero romper la piñata

Dale, dale, dale, rompe la piñata

¿Cuántos dulces tenemos?

Vamos a contarlos

Yo tengo uno, tú tienes dos

Él tiene tres, ella tiene cuatro

Yo como uno, tú comes dos

Él come tres, ella come cuatro

¿Cuántos dulces tenemos?

Vamos a contarlos

Ya no tenemos dulces, ya los comimos

No quiero oro, no quiero plata

Yo solo quiero romper otra piñata

THE PIÑATA

I don't want gold, I don't want silver

I only want to break the piñata

Hit it, hit it, hit it, break the piñata

How many candies do we have?

Let's count them

I have one, you have two

He has three, she has four

I eat one, you eat two

He eats three, she eats four

How many candies do we have?

Let's count them

We no longer have candies, we already ate them

I don't want gold, I don't want silver

I only want to break another piñata
